

SIAM

1908 Jubilee Issue.

1 Att.

Phase 2 of the Setting.

When the error of date on the 38th stamp was discovered, some of the sheets were corrected by the Post Office Officials before being issued.
The block below is from such a Sheet.

The 11th and 20th stamps small 'i.'

1st stamp
Error ๓
corrected
to ๒.

The method by which the correction was made was by setting up two thin lines in the printing press in the proper position on the sheet thus — so that the Siamese figure ๓ (3) should be converted into a ๒ (2).
